

TUESDAY FELLOWSHIP

3.00 – 4.00 p.m. in the Hall

We reach that time when we review the year and you get a chance to have your say. The AGM approaches – usually it is very short, so this year Hilary Burn will talk to us about Jonah when the brief business meeting is over. This month we have four other speakers from a variety of walks of life, so do come and join us for an afternoon of fellowship. All are welcome.
