

# TUESDAY FELLOWSHIP

**3.00 – 4.00 p.m. in the Hall**

As we approach our summer break, we look forward to another month of interesting speakers. Enormous thanks must go to Nina Lamb who has booked our speakers for several years now. She has earned a well-deserved rest. It will be a hard act to follow. There will be the opportunity to meet occasionally during July and August - details in the July/August Link.
