

Family-friendly creativity, celebration and hospitality at St Andrew's Church, Long Street, Devizes

Messy Church is family-friendly church presented in a way that young children (and their parents!) can understand. At the moment, the age of children attending ranges from about 2 to 11. An adult family member is required to be with their child/children during the afternoon.

From 3.00-5.30 p.m. on the second Sunday of each month you can expect:

- A warm welcome!
- Crafts and activities for all to explore the theme of the day
- Worship songs and prayers
- A meal (usually hot)
